

Hello. Thank you for making a reservation.

You will be staying in room 719 at Namsan Twin City, located near Seoul Station Seoul.

* Address: 366, Hangang-daero, Yongsan-gu, Seoul

Because the room is highly secure, you will be moved to the room through the security door after “getting the card key.” I am going to explain how to “get the card key” and “move to the room” together with the picture below. Please check before entering the room.

Thank you again for your reservation and I hope you have a happy and good day.

In addition, the following information on how to “receive the card key” and move the room are ambiguous or If you have any inconvenience in using the room, please contact me anytime. (+82-10-6797-7414)

1. How to get the card key

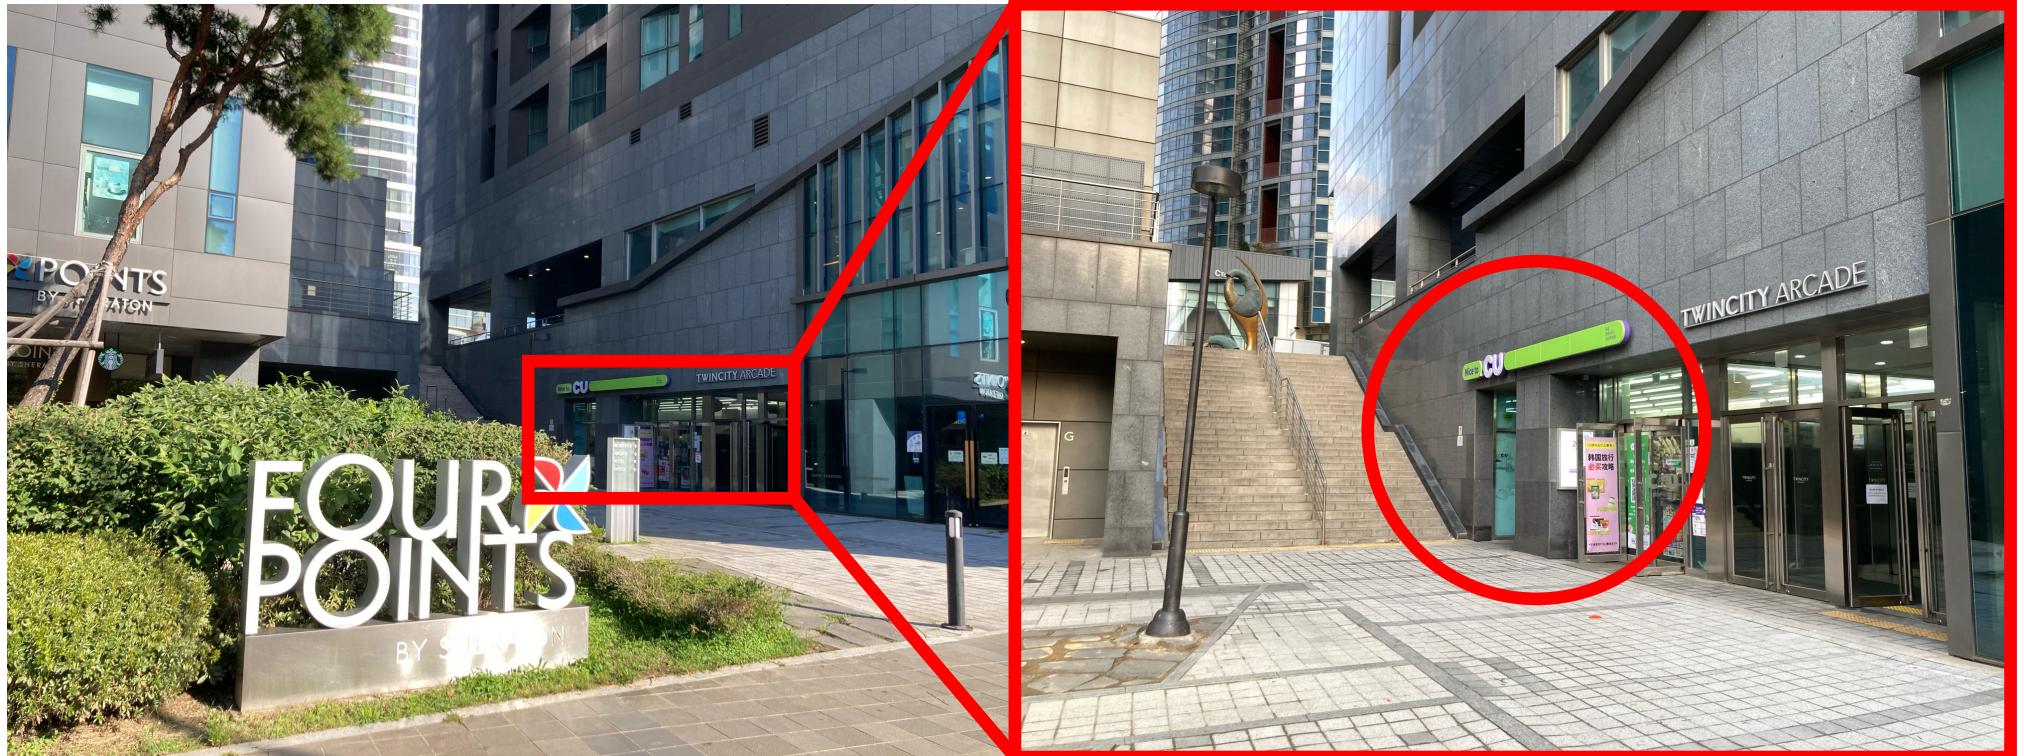

1-1. You could stand with your back to the bus stop.

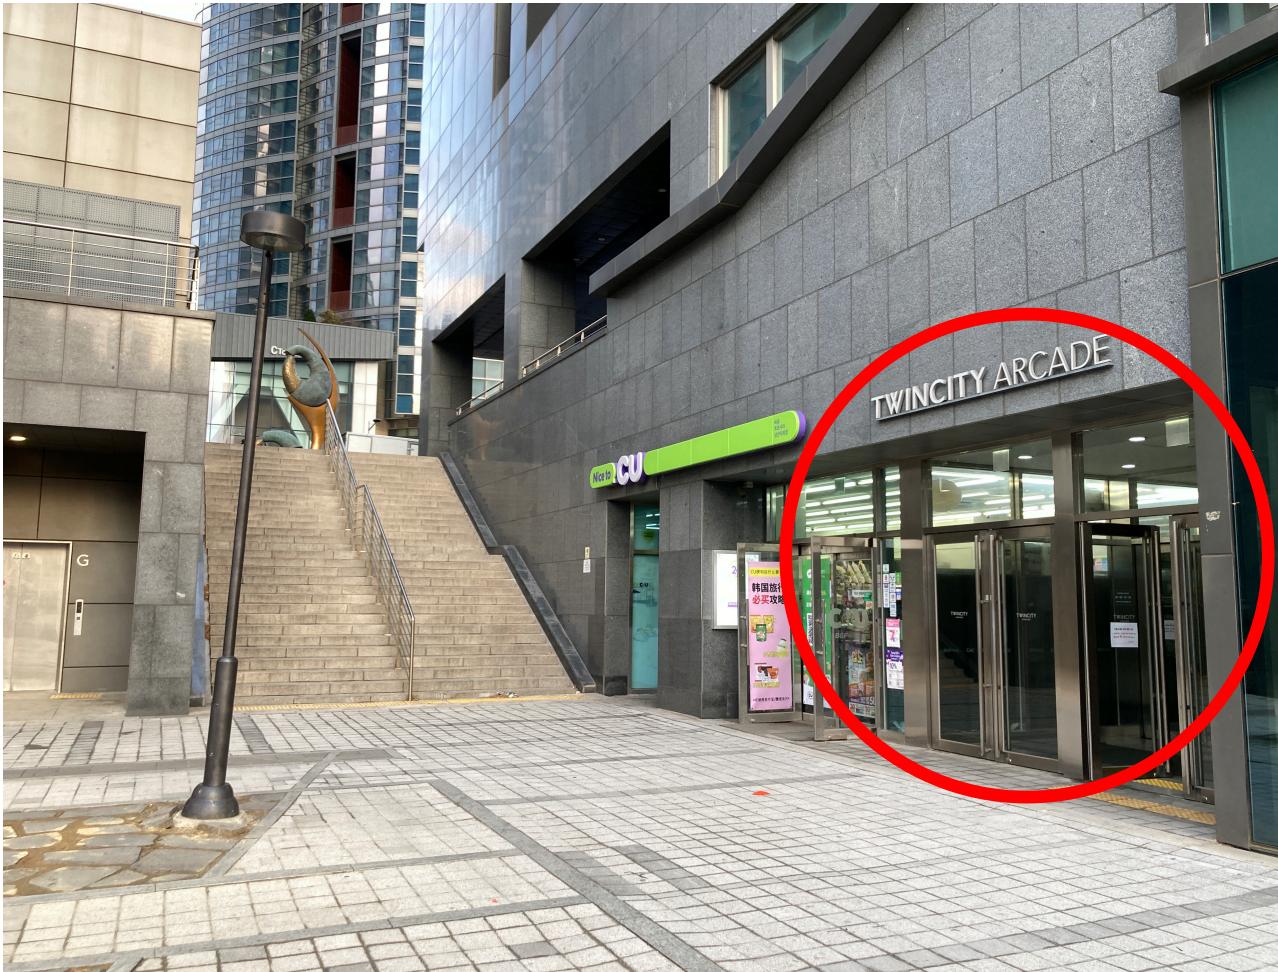

1-2. Look for the 'Four Points font'.

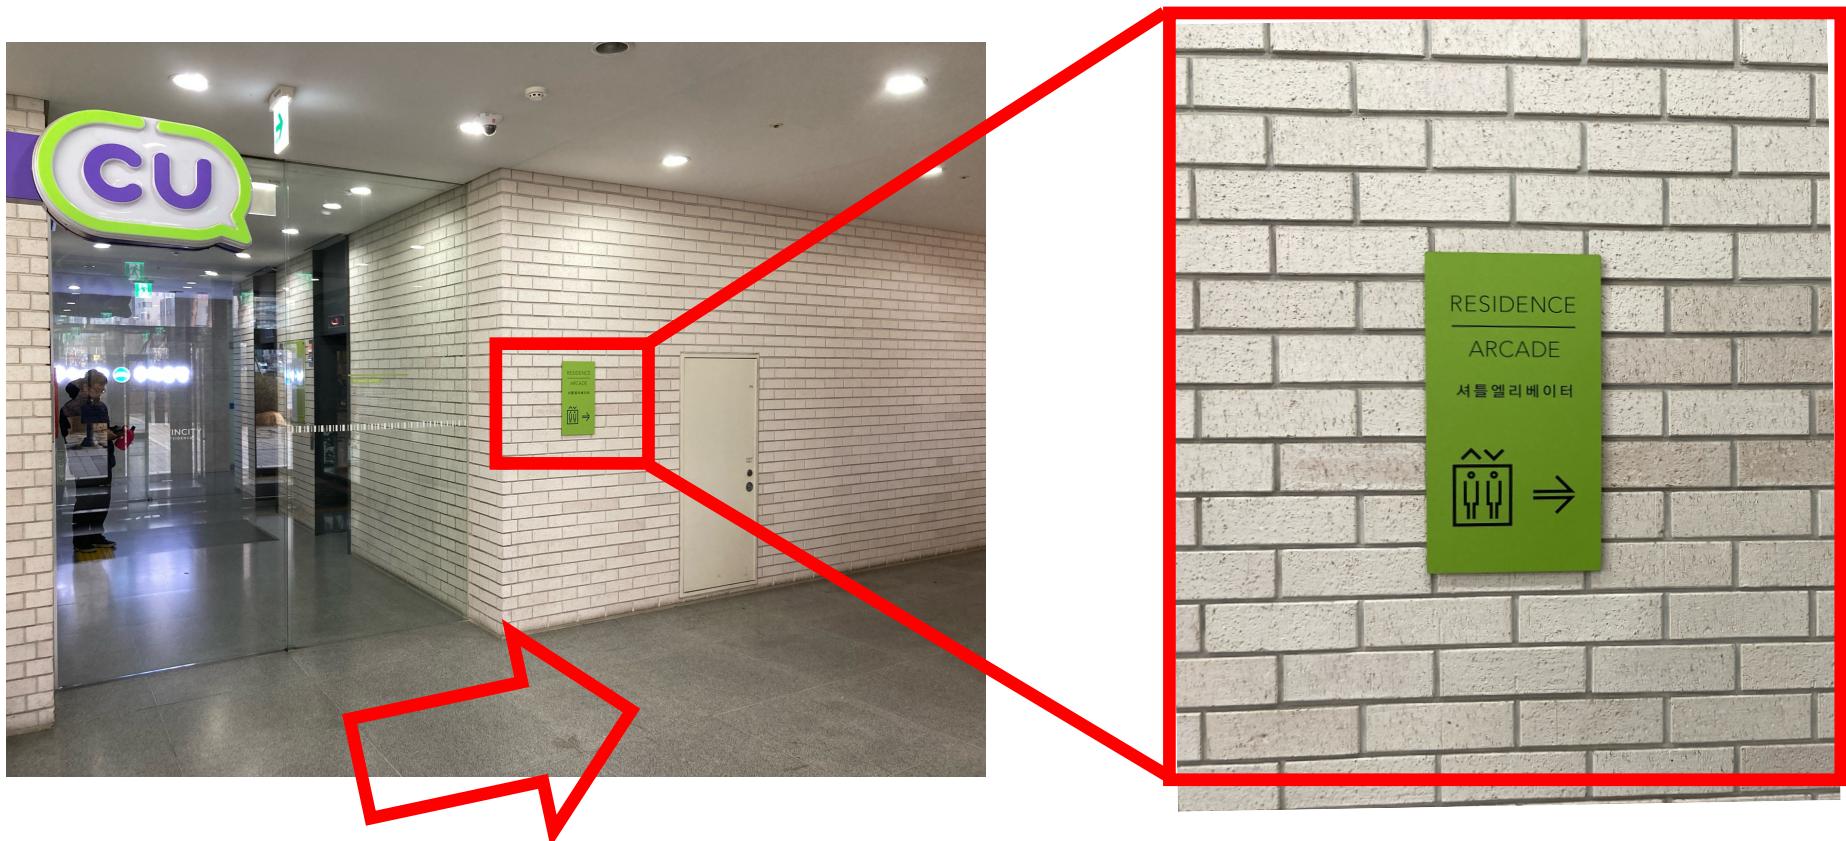

1-3. Look for the 'convenience store(CU)' behind the right side of the 'Four Points font'.

1-4. Enter the building located on the right side of the convenience store(CU).

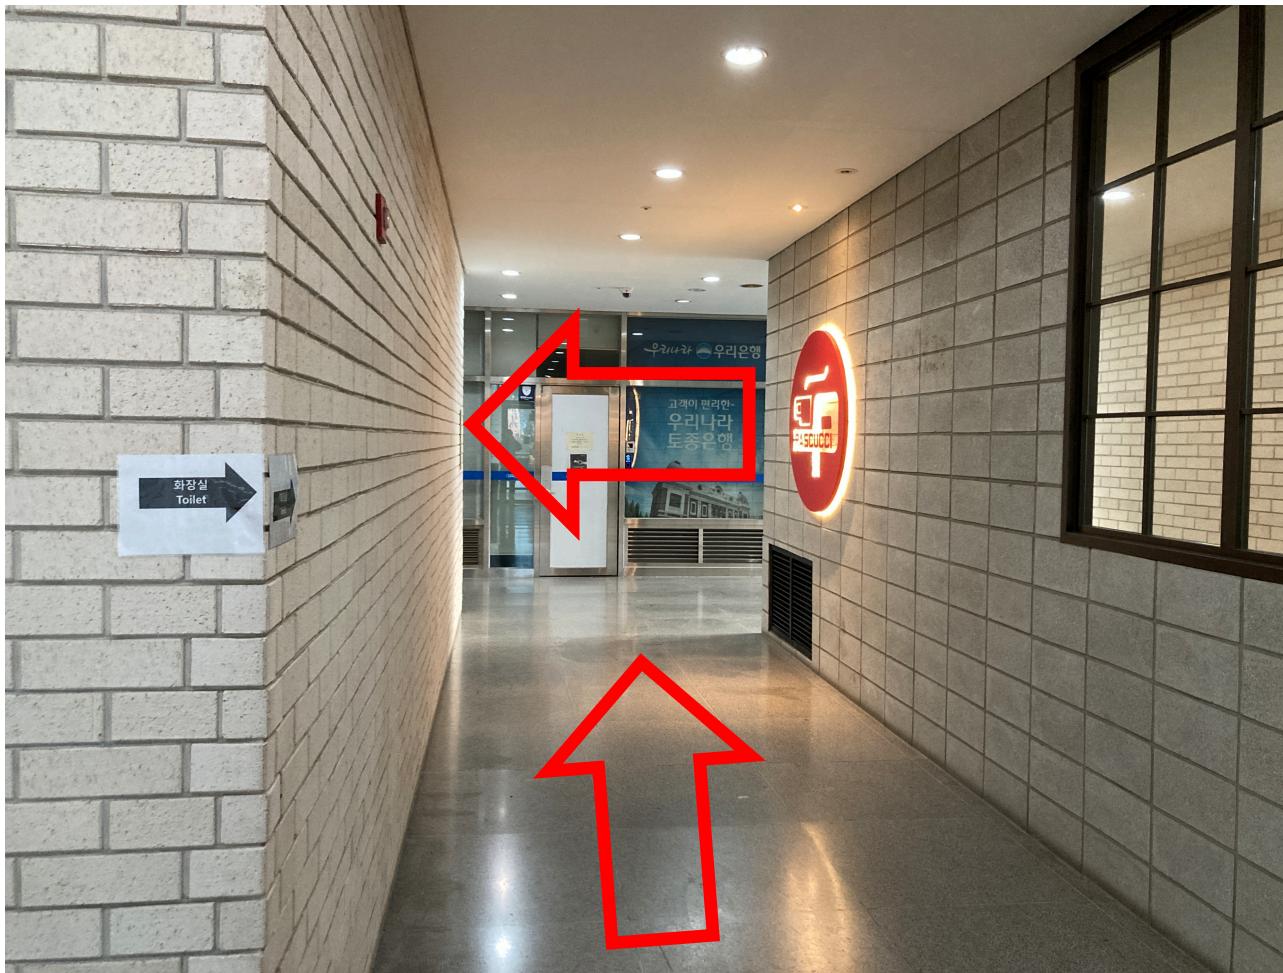

1-5. To board the shuttle elevator, go to the hallway **on the right**.

1-6. Keep the cafe on your right and **keep following the hallway**.

1-7. If you see a bank(Woori), go to the **left side**(hallway).

1-8. Keep the bank on your right and **keep following the hallway.**

1-8. Keep the bank on your right and **keep following the hallway.**

1-9. Open the door and **enter to board the shuttle elevator.**

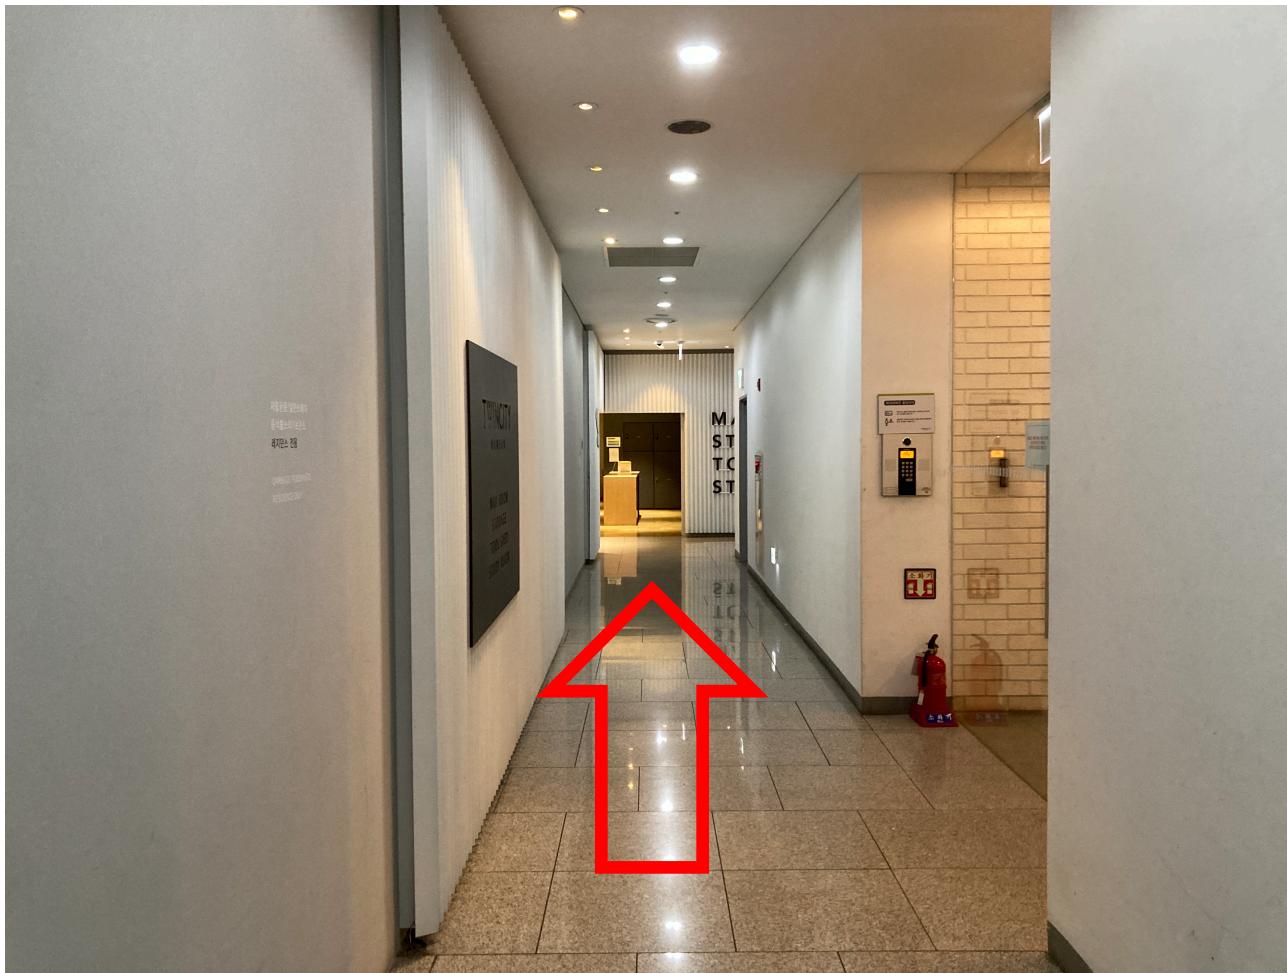

1-10. To get to the card key pick-up area, **take the shuttle elevator that moves downstairs.**

1-11. Get on the shuttle elevator and **press the B2 button.**

1-12. You could get off the shuttle elevator and find the mail room at the end of the hallway on your right side.

1-13. Find the 'room number 719' you are going to stay in.

1-13. Find the '**room number 719**' you are going to stay in.

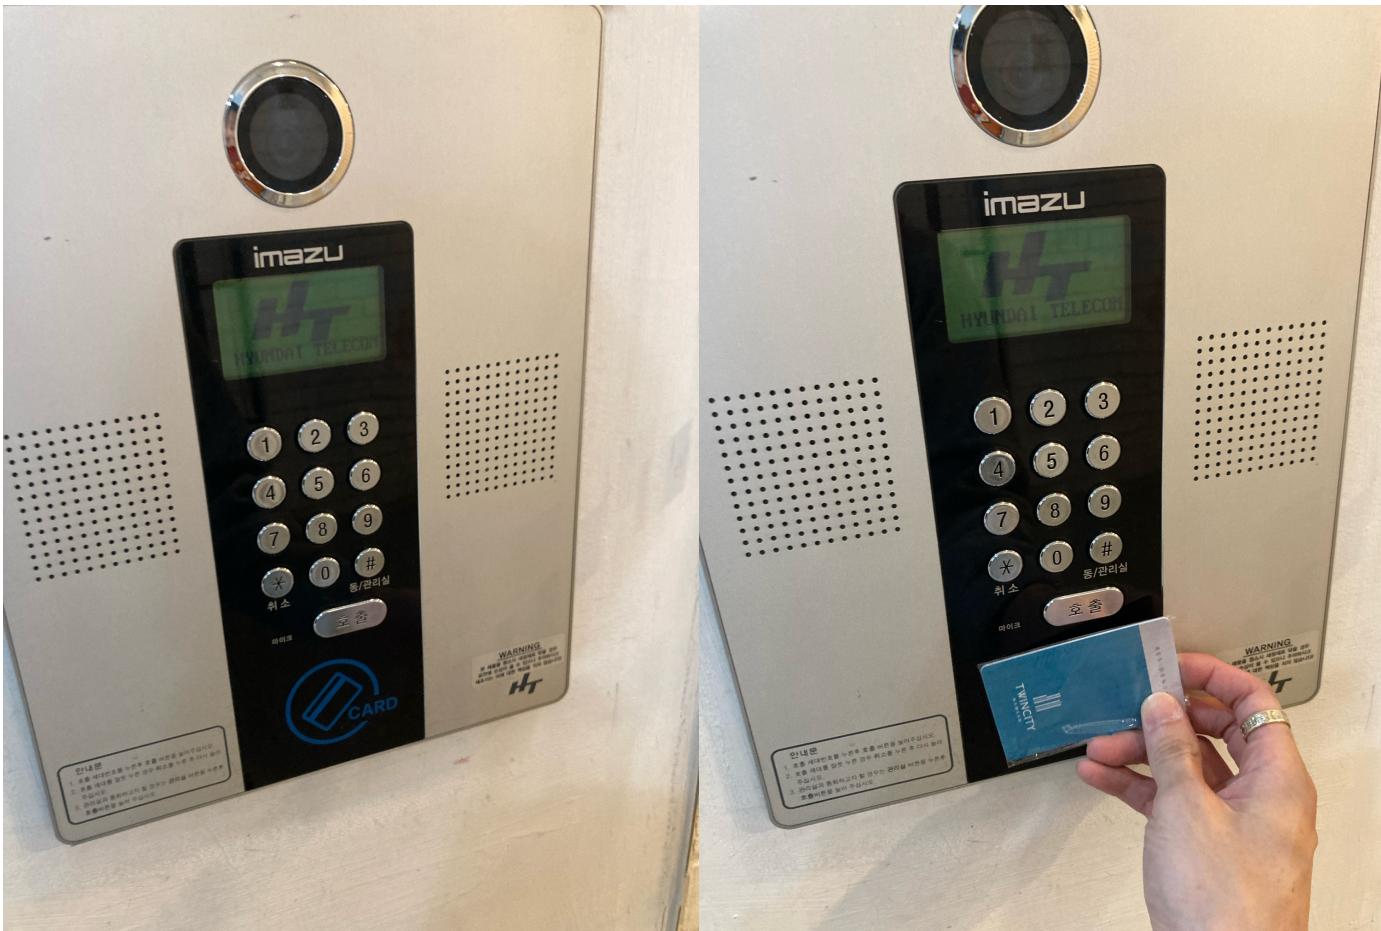

1-14. You could get the card key.

2. How to move to the room

2-1. If you tag the card key on the security door to get on the elevator, the security door opens.

2-2. Take the elevator, tag the card key, and press the room floor (7th floor).

2-3. When you get off the elevator, you could find the room (719).

3. How to enter the room

3-1. Touch the door lock once.

3-1. Push(or Touch) the password, and then touch(or push) the asterisk (*).

※ The password changes every rounds, and I am going to let you know privately.

Thank You :D
